Mitch Simpson and his staff at Back to Health In-Home Rehab provide outstanding physical therapy services. My patients are always treated by skillful, knowledgeable and compassionate therapists. We receive excellent feedback from all of our patients that we refer to them. Back to Health provides a great service by providing outpatient therapy services in the patient's home. I highly recommend them to anyone seeking physical and/or occupational therapy.

A handwritten signature in black ink, appearing to read 'Charles Davis', is written over a horizontal line that extends to the right.
