

Patient Satisfaction Survey

Patient Name: Mary Coniano

Therapist: Yoette

Please circle one:

Having Therapy at home instead of traveling to a clinic was:

Not Helpful Somewhat Helpful Helpful Very Helpful Extremely Helpful

My improvement since I started Physical and/or Occupational Therapy was:

Poor Satisfactory Good Very Good Excellent

My overall experience with my individual therapist was:

Poor Satisfactory Good Very Good Excellent

I would **would not** recommend Back To Health In-Home Rehabilitation.

Describe your overall experience with Back To Health In-Home Rehabilitation:

Pain was relieved in Knees, walking was improved,
getting out of chair is now easier,
Yoette was very helpful, always on time, knew
exactly what to do to relieve my pain, was
courteous, friendly and an expert therapist.
