Having individualized, personalized therapy at our clinic was:

Not Helpful Somewhat Helpful Helpful Very Helpful **Extremely Helpful**

My improvement since I started Physical and/or Occupational Therapy was:

Poor Satisfactory Good **Very Good** Excellent

My overall experience with my individual therapist was:

Poor Satisfactory Good Very Good **Excellent**

I **would** **would not** recommend Back To Health In-Home Rehabilitation.

Describe your overall experience with Back To Health In-Home Rehabilitation:

Productive

Pleasant

Resulted in more flexibility in shoulders.

Overall... an extremely positive experience.

Staff was warm + friendly - Mitch was so very pleasant, upbeat, and encouraging.

Efficient scheduling - no waiting time. (flexible with appointments if necessary)
Cheerful decor
